

30 April 1968

MEMORANDUM OF UNDERSTANDING

SUBJECT: Medical Support [REDACTED]

25X1A

1. After discussion with both [REDACTED] on responsibility for support to [REDACTED] the following understanding is reached.

25X1A

2. In view of the nature of the duties of the Medical Technician [REDACTED] professional and technical supervision and guidance appropriately lies with [REDACTED]. In terms of assignment and reassignment of OMS personnel currently stationed at [REDACTED] as well as any additional OMS personnel in the future, the Field Support Staff will be primarily responsible for nomination of OMS personnel as is practiced with other domestic field assignments outside headquarters.

25X1A

[REDACTED]
Deputy Director of Medical Services
